Drop off a Question:	6
The Locker:	7

Meet with a Live Tutor:

Directs you to an information page where a tutor will be available soon.

Welcome to NetTutor					
There is currently 1 student ahead of you in line. Thank you for your patience.					
We are here to help					
You will be directed to the first available tutor, usually within a few minutes. Keep this window open while you are waiting. When it is your turn, you will hear a bell and you will be sent to the Whiteboard where you can collaborate with your tutor. Be sure to turn up the volume on your computer so you can hear when it is your turn.	Your tutoring session will be private. When it is over, you can review the material you covered in your session by visting your locker. It is difficult to estimate your exact waiting time because we believe each student deserves a full, helpful session and their tutor's undivided attention. This will be the level of support you receive tool				
But what if I have to go?" No problem. Use the Whiteboard to hash out the details of the question you wanted to ask. Then, leave your question for the tutors, and they will respond back to you. Before you get started, give your question a title and then click the button below. Give your question a title to refer to later By characters remaining	While you are waiting, here are some study tips you can try ○ ○ ● Review your lesson material by re-reading your textbook, reviewing your class notes or presentation, or going through the example problems. Doing this can help clarify something you may have missed.				
Craft Your Question	н п н				

Drop off a Paper:

Directs you through three prompt to drop off your paper.

First, name your paper and describe the assignment.

Second, tell the tutor what you need help with.
