# JSCC Tutoring For Curriculum Students

## **How to log into Moodle for tutoring:**

- Log into the JSCC Moodle site.
- Enter the course and click on "Tutoring Services" under helpful links on the right hand side
- Read the various options available.

## **TRIO Student Support Services**

- Face-to-face and online tutoring options.
- Students must apply and complete tutoring forms. Forms are located in Moodle or at the Tutor Coordinators office in Strickland 131.

## **Online Tutoring Option:**

- Choose between ThinkingStorm and NetTutor online platforms.
- Click on the links to connect to a tutor. There are multiple choices for both companies.
- Students can also submit papers through each platform to be reviewed and returned.
