RAPIDPASS®

Complete your pre-donation and health history questionnaire
from your mobile device using RapidPass®.

Scan Me

Expedite your donation!

Use your mobile device or a donor tablet to scan the QR code and complete your RapidPass®. Be sure to screenshot or email your RapidPass® to yourself and have it ready to present to staff before exiting health history.

Did you know?

On the day of your appointment you can start the donation process before leaving home using the Blood Donor App or by visiting [RedCrossBlood.org/rapidpass*](https://RedCrossBlood.org/rapidpass)

You can save up to 15 minutes!

*Any RapidPass® completed before 12 a.m. on the day of donation will be invalid and the donor will be asked to complete the health history again on site.
